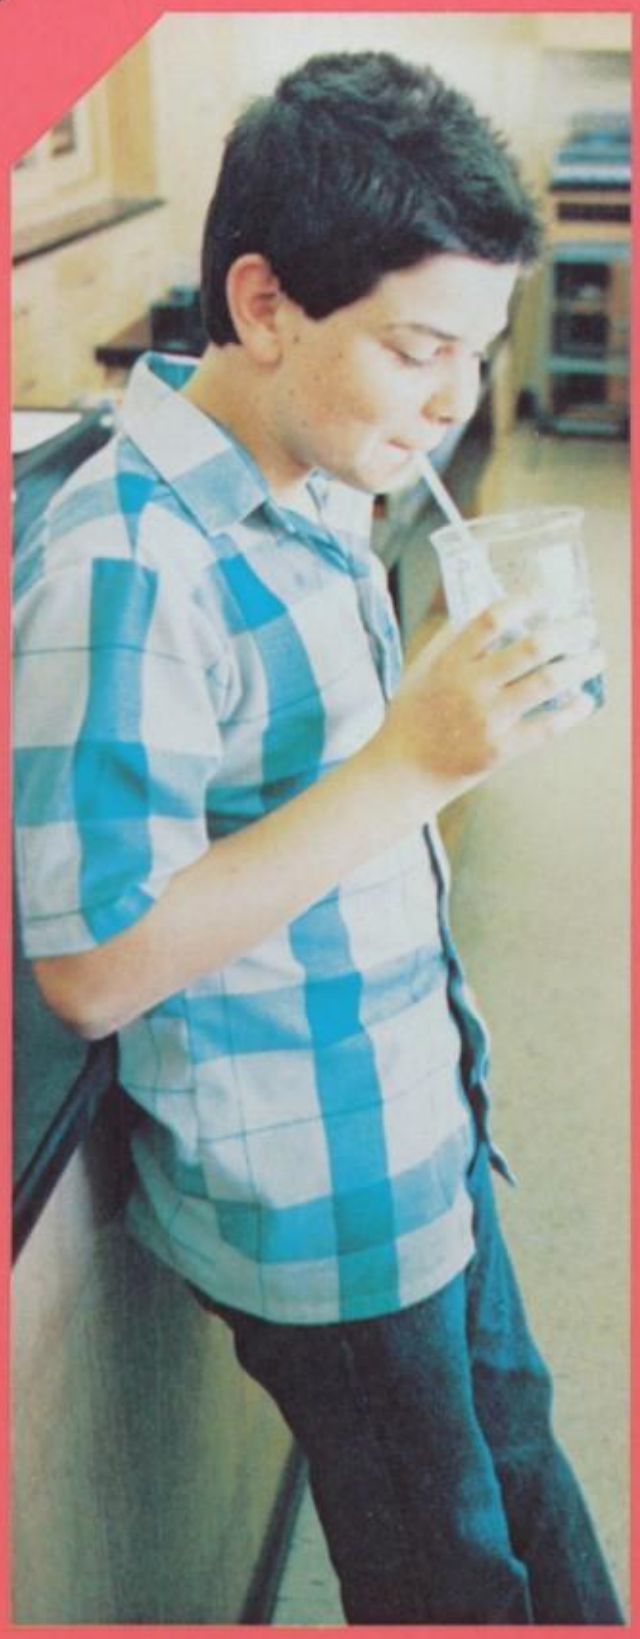
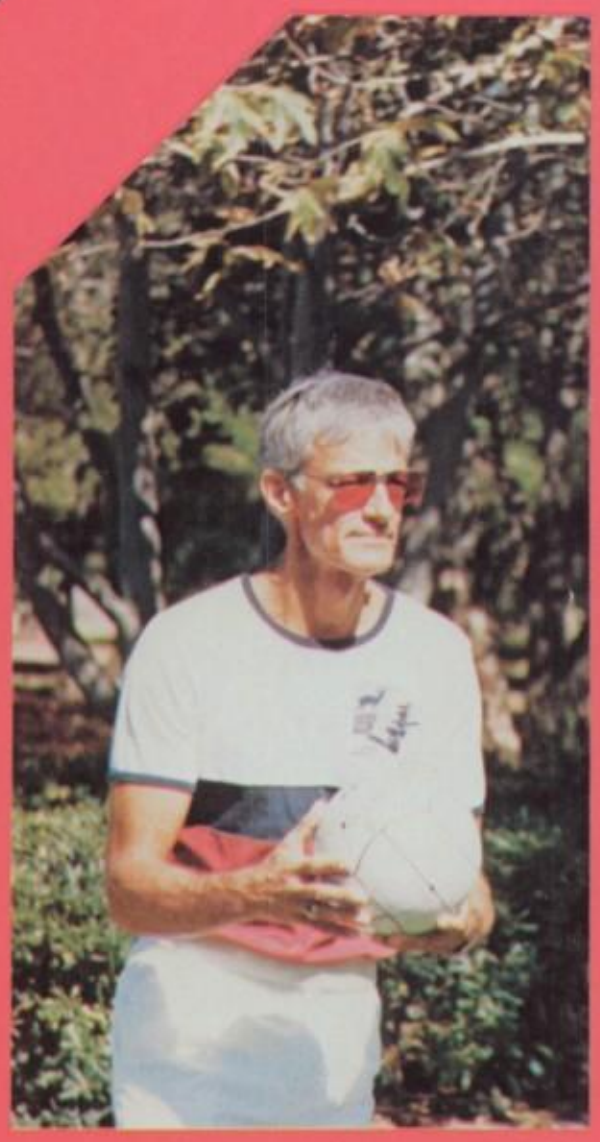
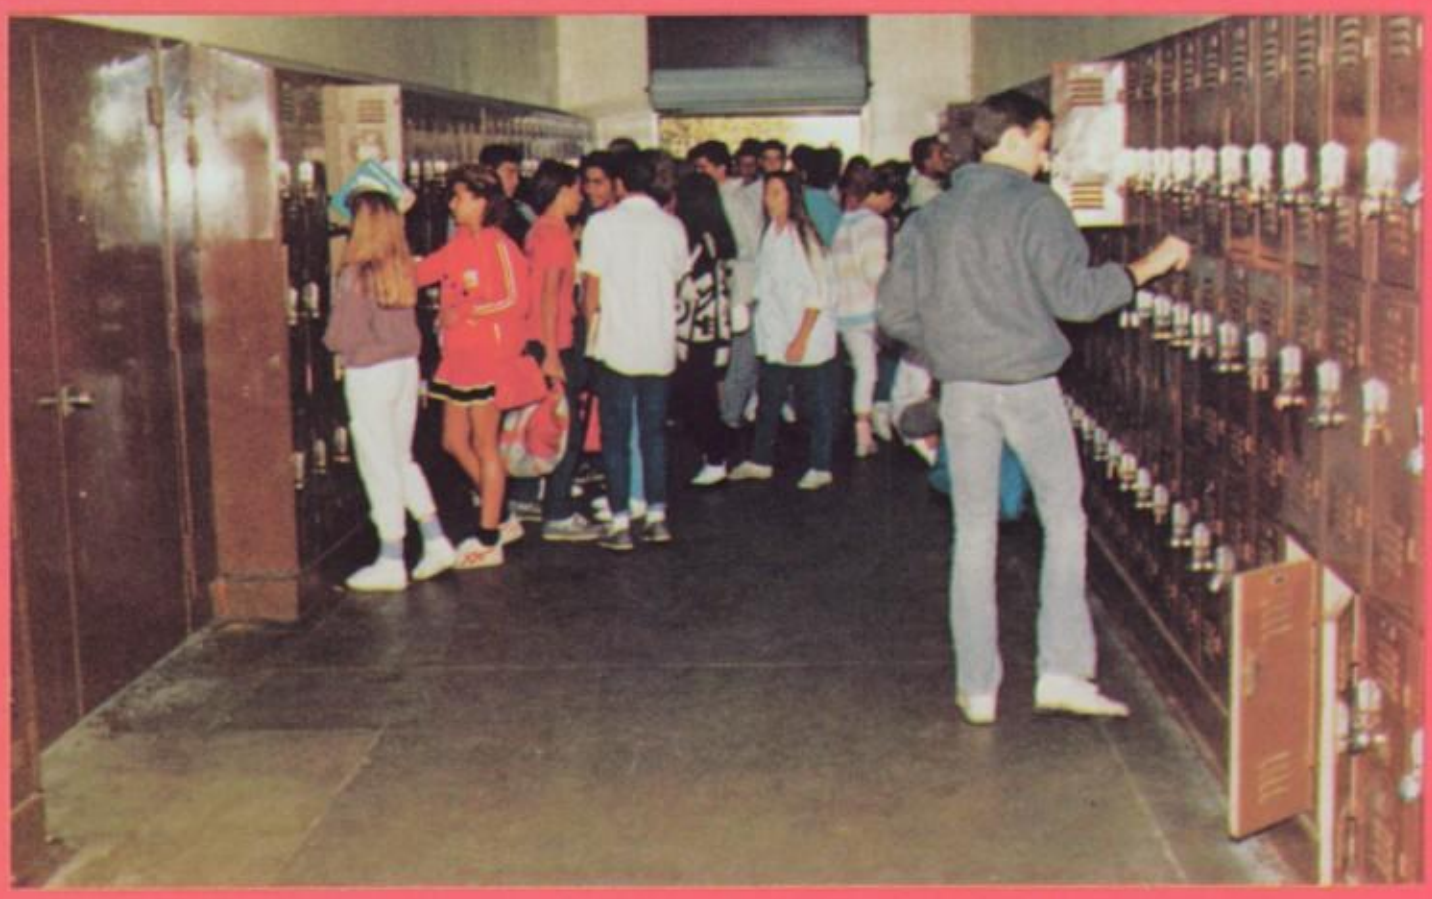
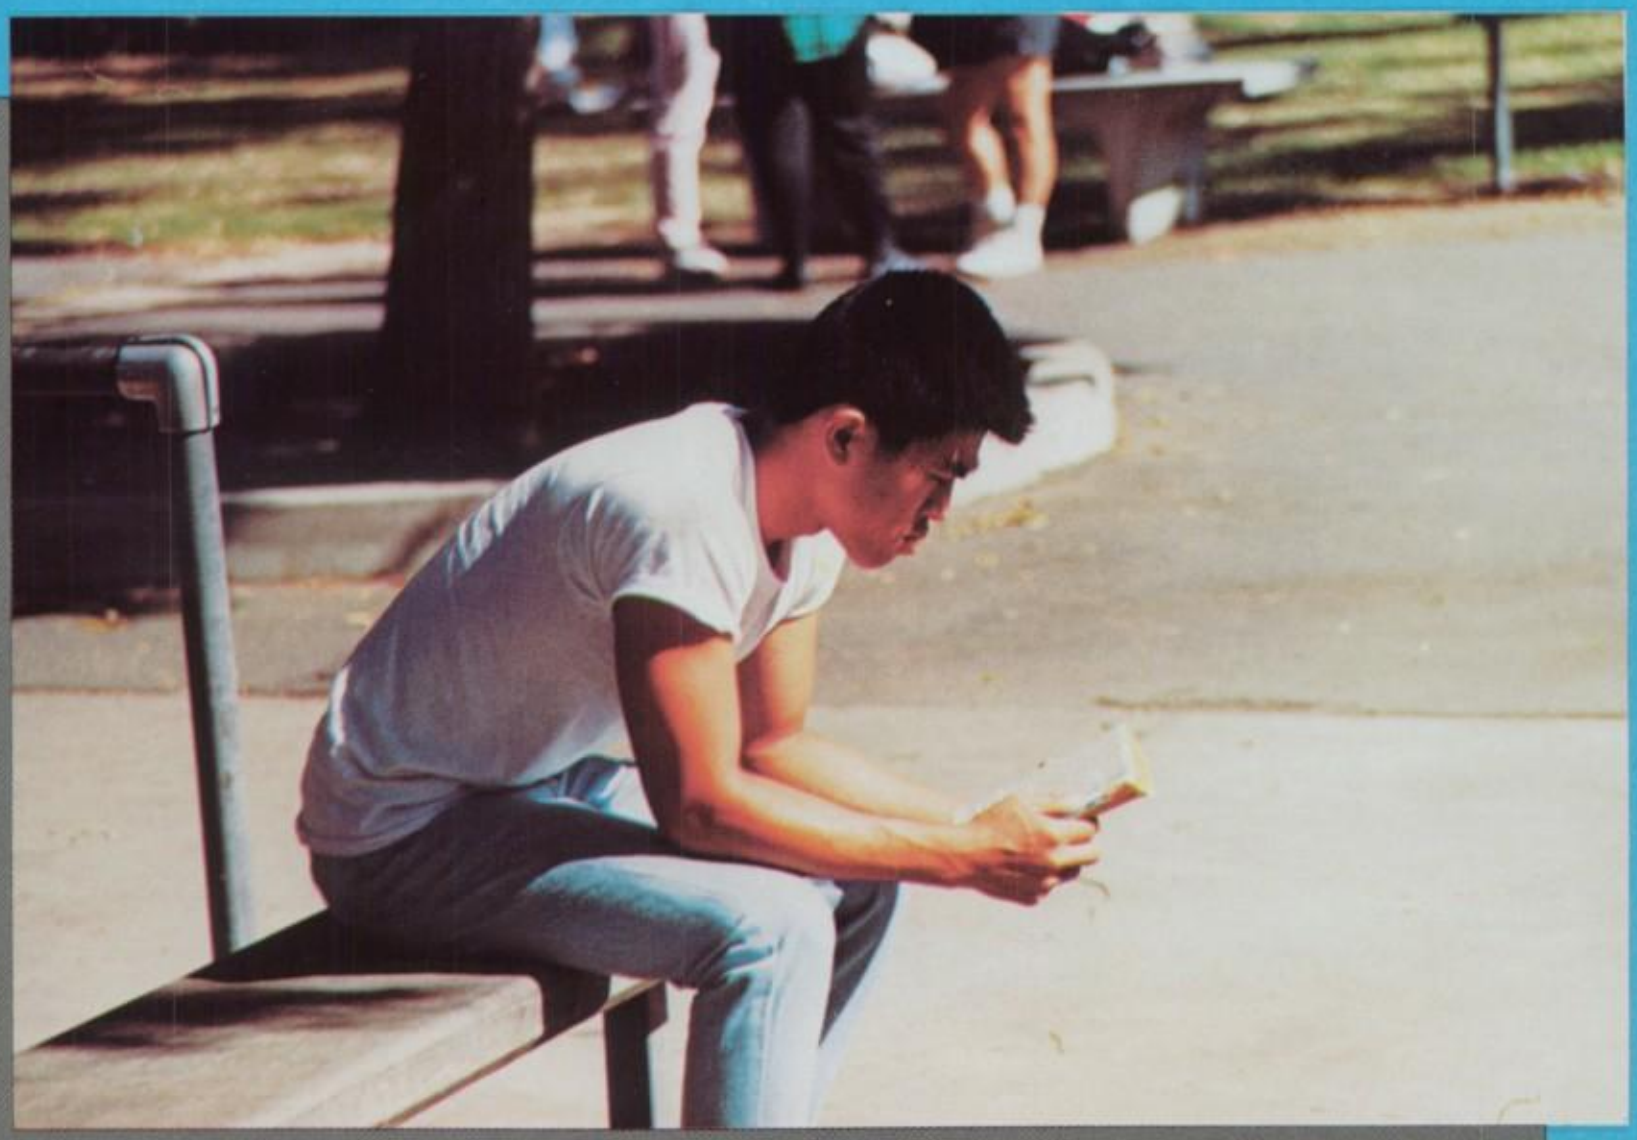
FROM THE BEGINNING . . .

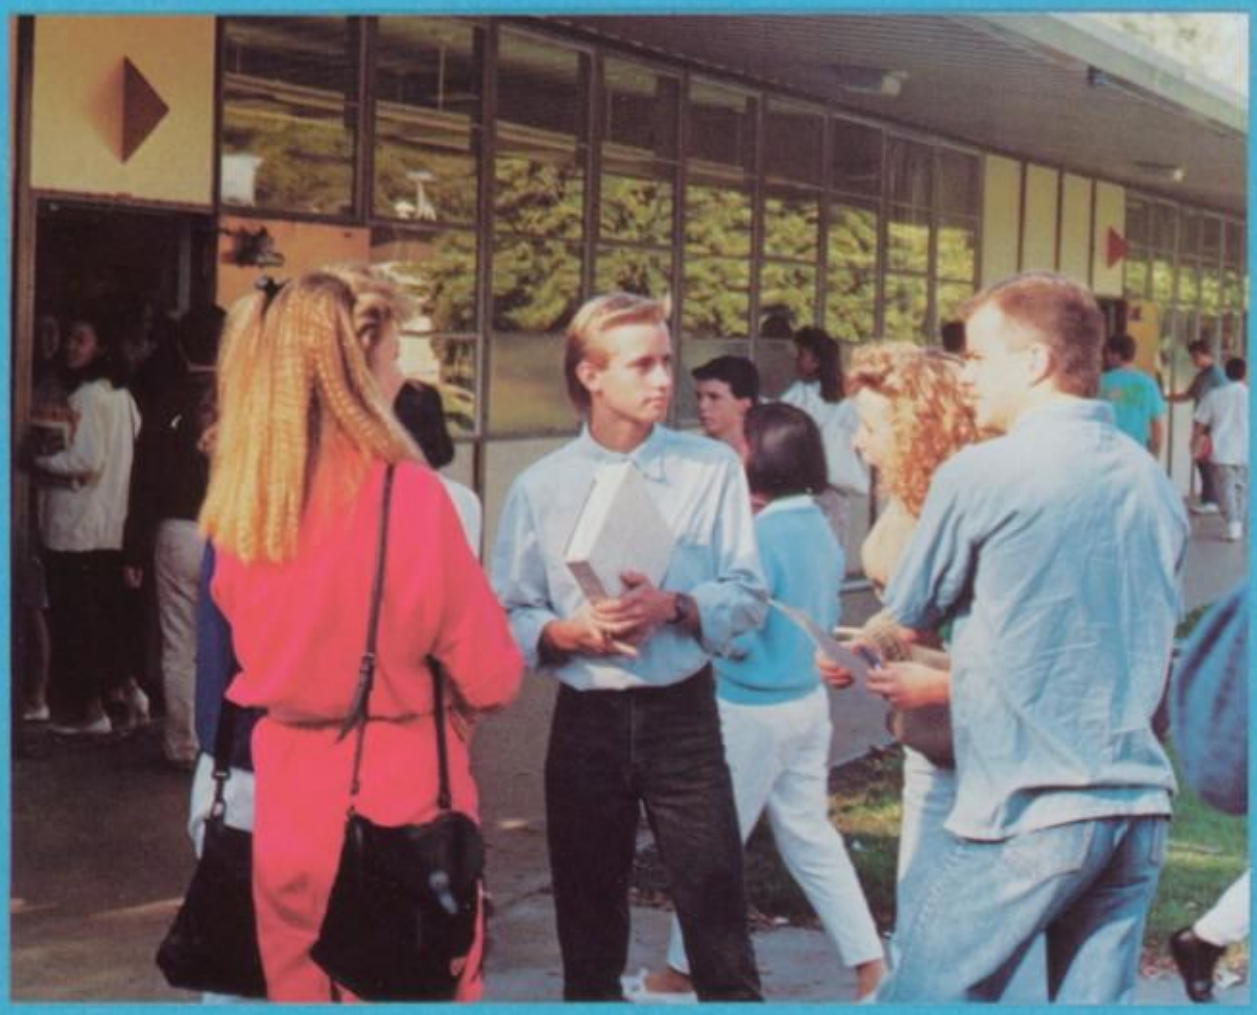
Can you believe it? Our Freshman year is over.
-Yeah, only 3 more years to go. I'm so excited.
-Next year we won't be on the bottom. We won't be seniors, but we can pick on the Freddies!
-Wanna know something?—I think I liked it.
-It was alot of fun going to sock hops, games and pep rallies.
-The guys weren't bad either!
-I hope it goes by slow.
-So do I.

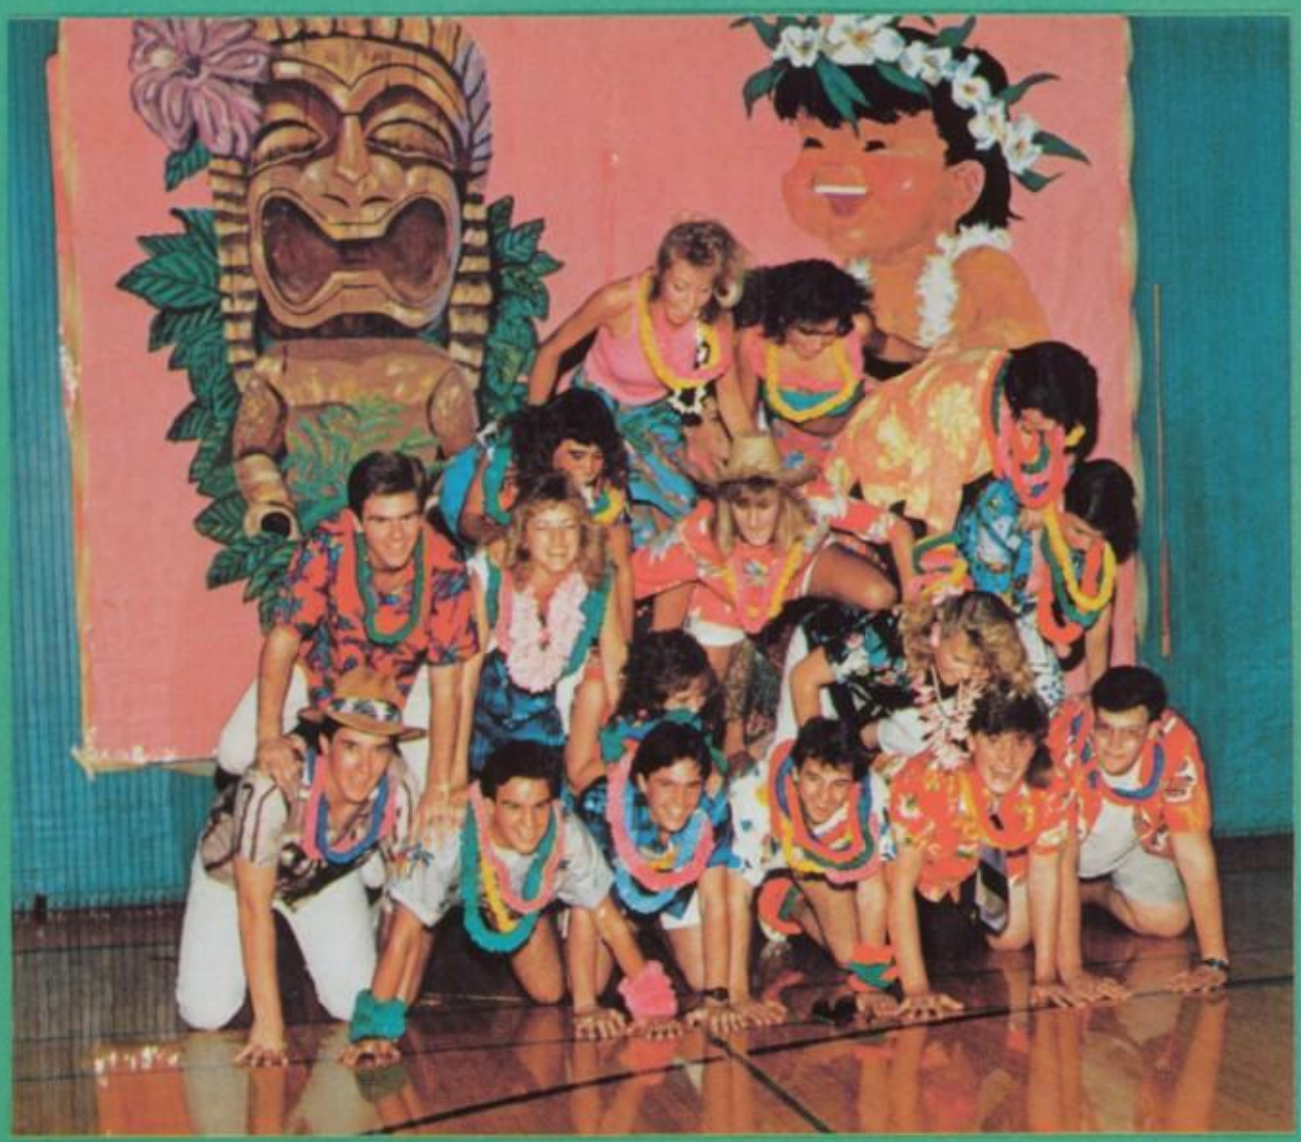






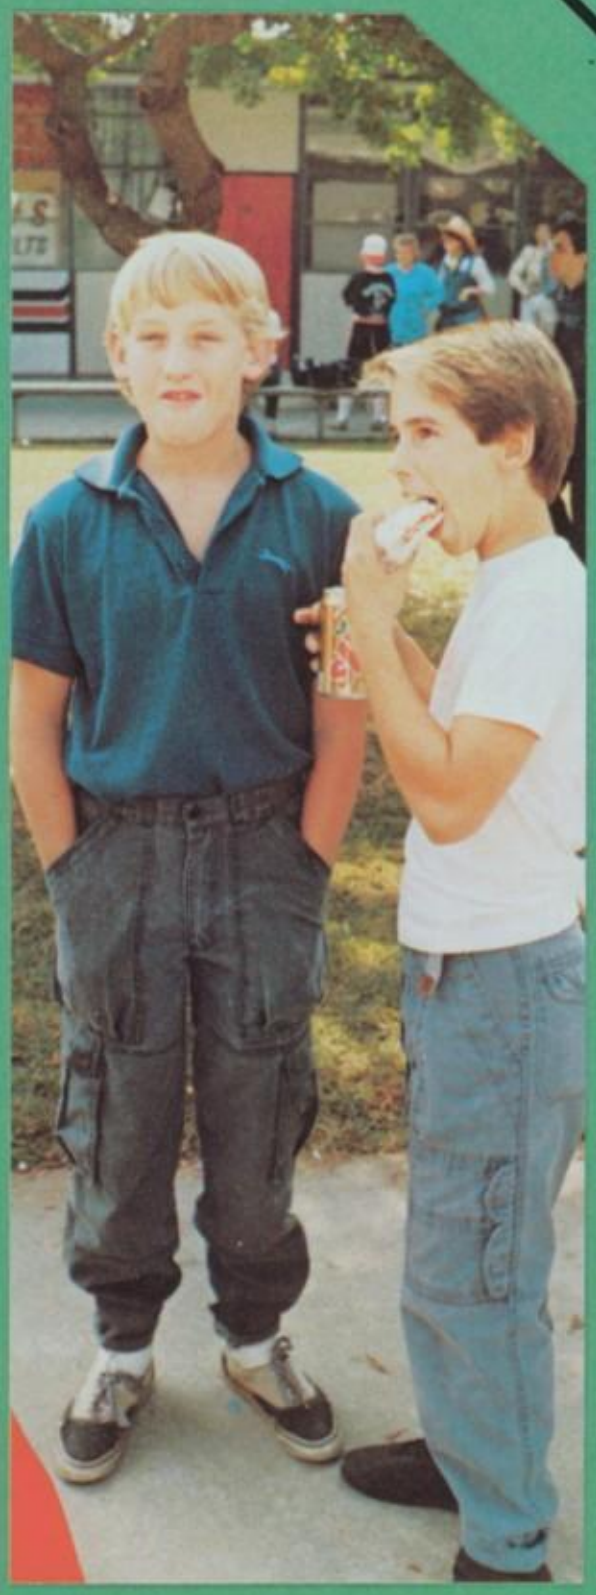


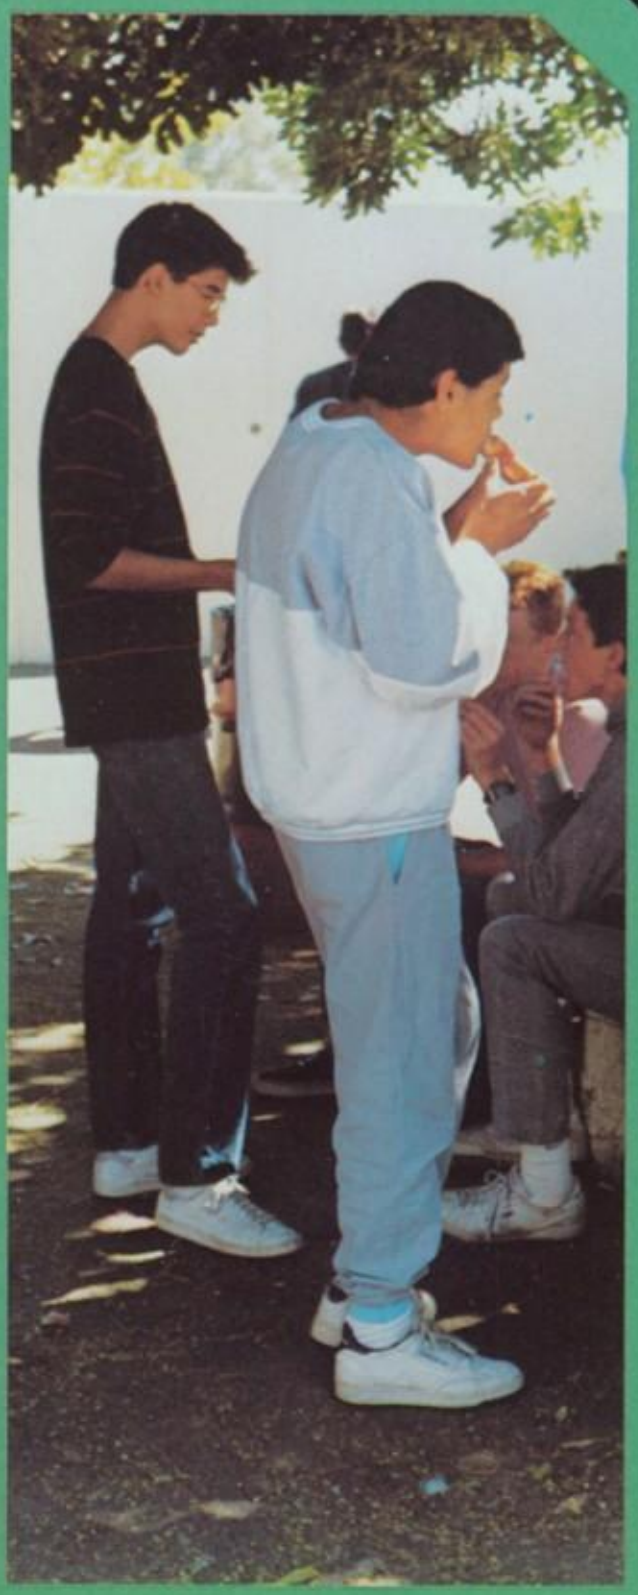


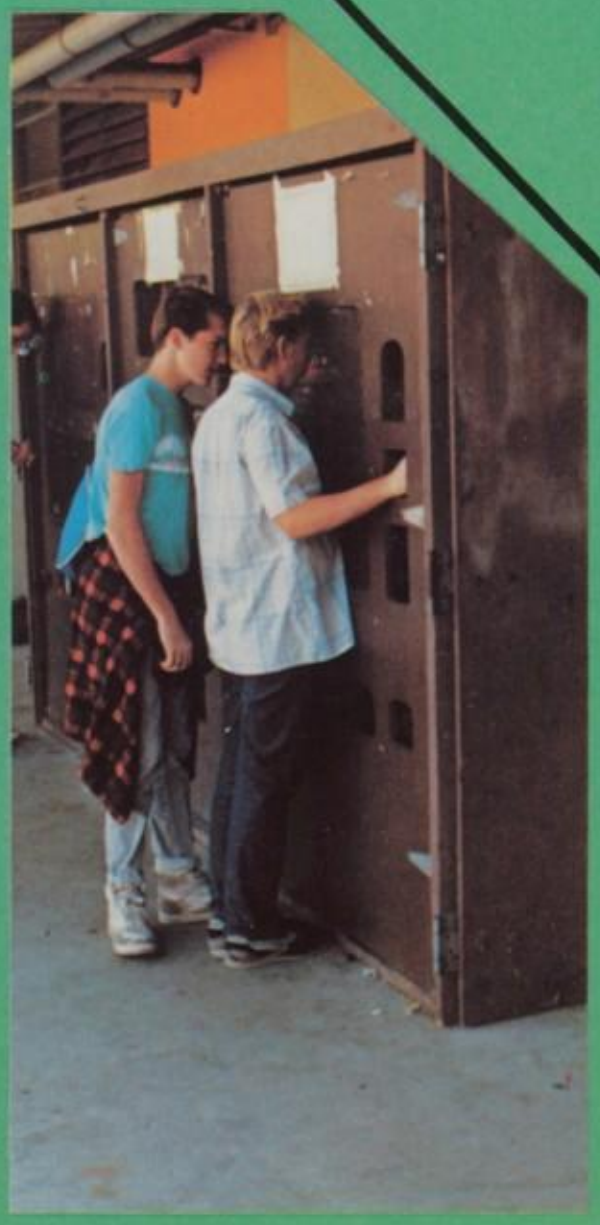


. . . TO THE END

Now that we're almost graduated we can sleep in and think about all the times we were late for school.
-Oh, and all the times we tried to be so cool!!
-And remember when you fell and everyone laughed at you like you were the biggest fool?
-After four years we only broke a couple of the rules.
-But now we're out so we gotta shout that Westminster High is the BEST—no doubt!







STUDENT LIFE

INDIVIDUAL EXPRESSION

Many people express their individuality in their dress, makeup, hair, and clothing styles. The students at WHS are no different and a wide variety of "looks" can be found on campus. Hairstyles work hand-in-hand with makeup; outrageous hair usually brings with it outrageous makeup. Tinted, bleached, frosted, and dyed hair were all common this year, and might have been pulled to the side, spiked straight up, slicked down or shaved off. Styles in clothing included the "Heavy Metal" look with black leather and spikes, the 80's look with oversized sweaters and skirts, the 60's look with mini-skirts and turtle-neck sweaters, and the professional look with slacks, blazers, and ties. The one thing these styles have in common is that they represent an effort to express one's individuality and this in turn makes for a more interesting and varied atmosphere at WHS.

TRANSPORTATION

Since the beginning of time, man has attempted to get from point A to point B in various ways, shapes, and forms. It is no different at WHS. Students get to and from school in many ways. One of the most popular, of course, is the car. In High School, the car is a status symbol as well as the most efficient means of transportation. Most students have pride and take good care of their cars. Another form of transportation, and of course the most practical, is the feet. Many students trek to and from school everyday. In the future, they will tell their children how they walked 100 miles to school in the snow, bare foot. Another common way of getting around is the ever popular skateboard. Skaters skate their way to school, and even around campus (watching out for Supervision). Bicycles, of course, are still used by the majority of students.

SENIOR LUAU

Lots of fun is what most Seniors look forward to in their final year of High School. The Senior Luau is one of the events most anticipated. 'Aloha 87' was a big success this year and enjoyed by all those who attended. The gym was the setting of the luau which was decorated with colorful scenery and helped create a tropical atmoshpere. The evening started out with a Hawaiian feast which consisted of a variety of Polynesian dishes including fruits and a roast pig. The highlight of the evening, however, was the entertainment performed by "The Hawaii Experience" who sang songs and displayed various styles of dancing from the different islands. Many students were given an opportunity to learn "The Hukilua" and other types of Hawaiian dances. There was also the traditional dance displayed by seven of our own enchanting beauties dressed in hula outfits and performing their Hawaiian routine. These included John Gonzalez, Mike Austin, John James, Matt Jones, Jim Rubalcava, Cory Dickson and Gary Lewellen. The evening ended with the crowning of the Hawaiian King, Ernie Saldana, and the Queen, Tupu Galoia.

PEP RALLIES

5

Pep Rallies play an important part in school spirit. Before each big game, the Pepsters organize a rally to get the students and faculty into a winning mood. Everyone gets involved; the cheerleaders, football team, faculty, students, and coaches. This past year the Pepsters have staged several rallies, both in Buckingham Square and in the gymnasium. For each rally the Pepsters decorate the campus according to a theme. These have included Hawaiian, sweats, and Halloween themes, among others. The enthusiasm generated by pep rallies carries over to the game and helps inspire our teams to do their best.

HOMECOMING COURT

Homecoming night is always a special event. It is not only exciting for the football players participating in the game, but is exciting for the whole school, especially the Homecoming Court. On this particular October evening, the Lions stomped the Hunington Beach Oilers 21-0. At halftime, the homecoming Queen was announced. The court showed up in classic, vintage cars, escorted by their fathers. The 1986 Homecoming Queen was Chrissy Ragos, and she was announced by a balloon display of her name. This was followed by an impressive fireworks show. Homecoming night 1986 was special for the court, the team, the fans and alumni, and will be remembered by all who were there.

HOMECOMING DANCE

5

A "Vision of Elegance" was held on Saturday, October 18, 1986. This festive celebration climaxed our victory over Huntington Beach High the previous night. The atmosphere was one of enchantment and subtle beauty. Streamers, balloons and various decorations adorned the hall and as couples began arriving it was obvious that everyone had dressed for the occasion. Queen Chrissy Ragos and her escort, Todd Bischof, were given special recognition through the honor of having the first dance. After this, couples and friends enjoyed themselves while dancing to Funk, New Wave, Rap and romantic music under the mirrored ball. This year's Homecoming Dance turned out to be a special and memorable evening for all.

HOMECOMING WEEK

Homecoming Week was filled with anticipation and excitement. Who would be Homecoming Queen 1986? The court had to go through a week of torture. They had to survive the dreaded dunk tank where students were given the chance to dunk their favorite princess. Next was the Pep Rally where the court was introduced to the students. Everyone was jazzed and pumped up hoping to see the Lions destroy the Oilers. The princesses then had to survive the terrible, "creaming of the court". They were drenched with water, eggs, mustard, mayonnaise, ketchup, peanut butter, and a finishing sparkle of glitter. Excitement was high as Friday got closer and boutonnieres and corsages were ordered and handed out to celebrate the finale that night. With emotions running high, Chrissy Ragos was named Homecoming Queen 1986.

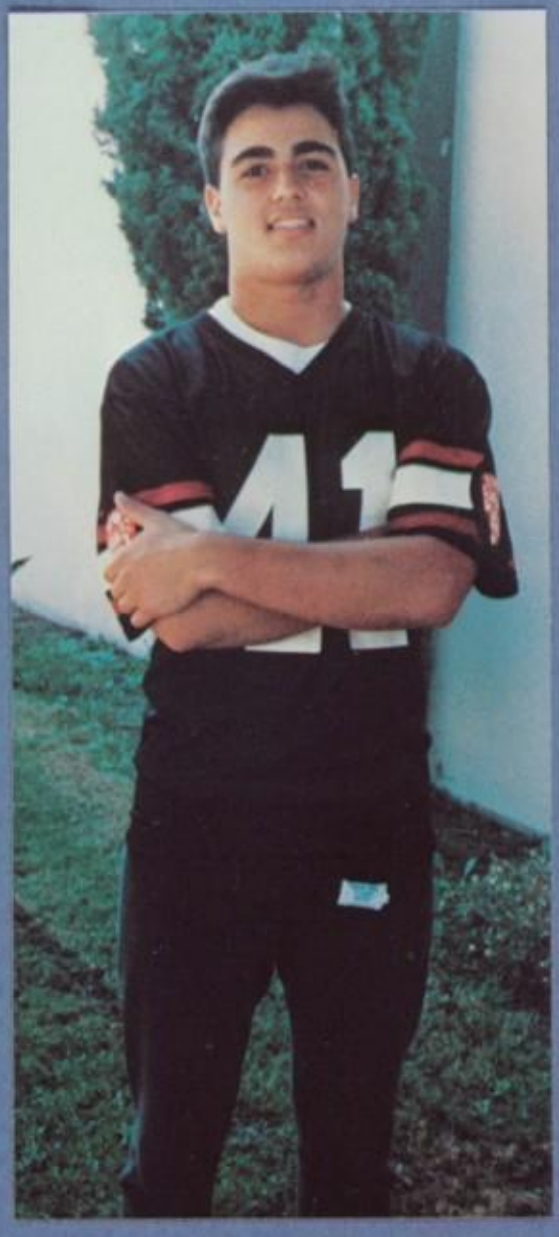
CULTURAL DIVERSITY

5

6



7

The student body of Westminster High School is composed of individuals from many different ethnic backgrounds. Some students are newly arrived in the United States, having left their original homelands for a variety of reasons ranging from war to a desire for greater personal freedom. Others have been here longer, several generations or more, and it was their grandparents or great-grandparents who pulled up roots and became part of the great experiment we call the United States. Whether our ancestors came from Europe, Asia, Africa, South America, the islands of the Pacific, or were already here as Native Americans, we are all now part of the same society—a society that is made stronger and more vital by the varied cultural backgrounds of its members.

5. **Lydia Cardenas** and **Miguel Cerda's** grandparents lived in Mexico before emigrating.
6. **Nhu Hang Vo** is Vietnamese and **Than Bui** is Vietnamese and French.
7. **John Trani** is part Cherokee Indian.

HALLOWEEN

Halloween is a frightful experience at WHS with goblins, ghouls, and witches roaming the halls. The majority of students and faculty showed the true Halloween spirit by donning creative costumes which ranged from Merlin the Magician to vampires with their pale victims. The highlight of the day came at lunch when everyone gathered in Buckingham Square for the judging of the costumes. A truck loaded with pumpkins was nearby and the winners in each category received a pumpkin to carve into a Jack O' Lantern. After the judging everyone milled about, looking at the costumes or buying pumpkins to take home with them. In all, it was a festive day that set the tone for what was to be an exciting and memorable Halloween night!

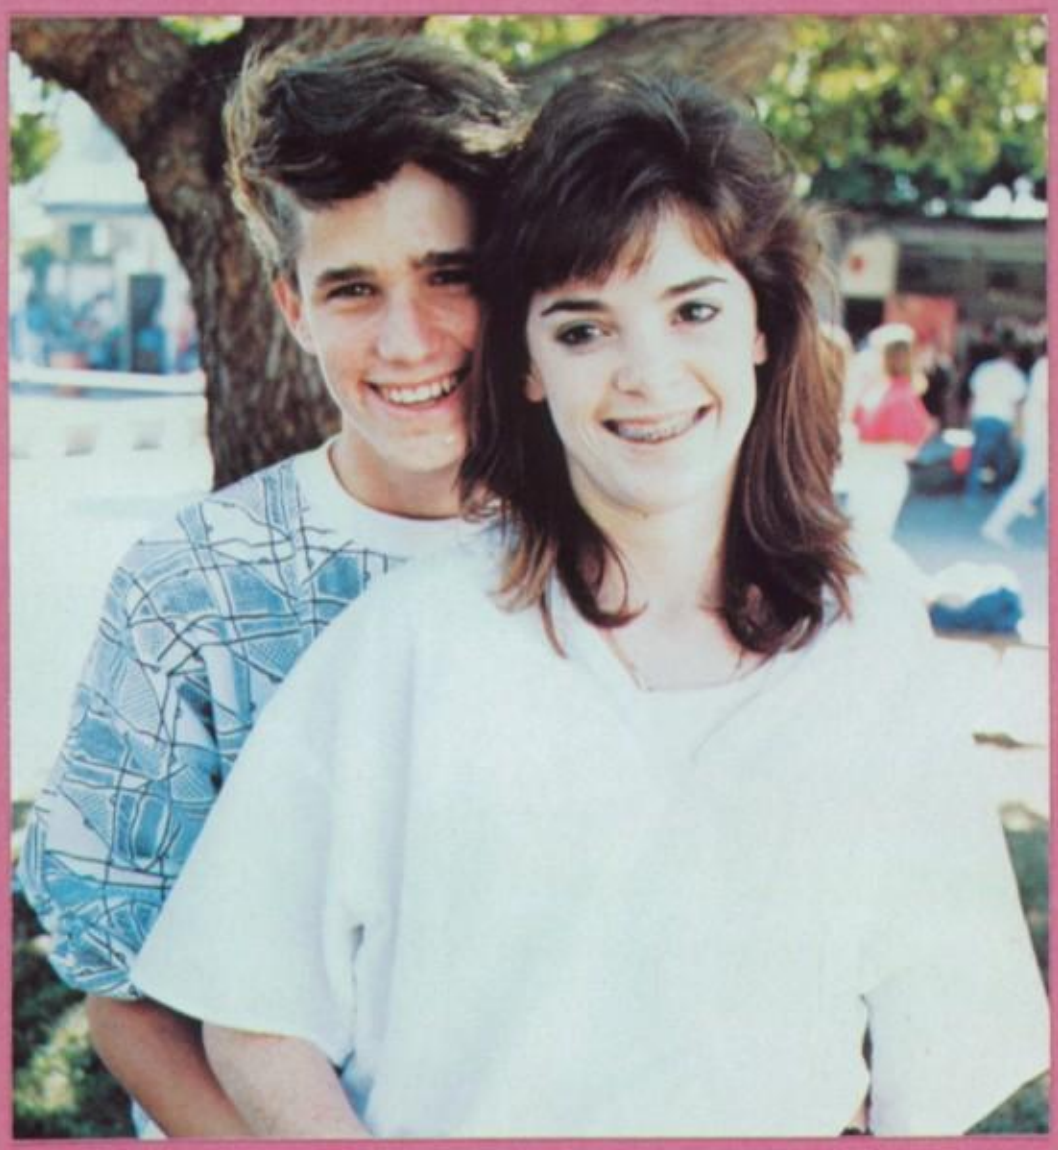
COUPLES



5

6

Another year of romance and affection has gone by at WHS. Each day couples could be seen showing their affection. Walking down the halls, holding hands with the look of love in their eyes was a frequent occurence. Students found it easier to cope with the troubles of school when they knew they had someone special in their life to talk with and hold on to. Love and relationships are a big part of High School and a big part of growing up.

CLASSES

Day after day, week after week, students go to classes. Some like it, some don't, but we all do it. Some students don't enjoy school at first, but later find ways of learning to enjoy it. It can't be that bad or we would just forget it altogether. Students come to class to meet new people, enjoy good times, gossip with friends, and, if they have to, learn the subject. There are always one or two students in each class that stand out and make the class more enjoyable. Teachers sometimes call these students trouble-makers, but we all need these people to survive. Tension can build in some of the tougher classes and a little laughter can do a lot to relieve it.

SOCK HOPS

After home football and basketball games students gather in the gym, remove their shoes, and take part in the traditional sock hops. People smash together in the middle of the basketball court for a solid two and a half hours of fun-filled dancing. Groups form for the fast and crazy hits of today and yesteryear. Couples move onto the floor to take advantage of the slow songs played by the D.J. of the night. After a final, slow song the evening ends and students spill out into the night, ready for a relaxing weekend.

Once again the annual Sweetheart's Dance was held at Cloud Nine at Knott's Berry Farm. February was Almost Paradise as couples, attired primarily in red and white, danced the night away. The high point of the evening came when the Valentine Court was announced. Todd Bischof and Devon Akita were proclaimed Valentine King and Queen. Other members of the court were Juniors Kristin McGowan and Brian O'Hara, Sophomores Stacie Humphrey and John Reardon, and Freshmen Candy Rubalcava and Mike Fitzpatrick. For all who came, it was a fabulous night of dining and dancing.

CORONATION

5

6

This year's Coronation Court was held on Wednesday, January 14. The Varsity Basketball team played an excellent game against Edison, defeating them soundly.

By half time there was an enormous feeling of excitement in the air, and as each of the candidates was presented, biographical information was read over the P.A. system along with projected baby pictures. At last the waiting was over when Cristi Weir and Mike Cover were announced as the King and Queen.

WORK

Students at WHS deal with the academic pressures of school all morning and into the afternoon, but they find themselves working in the late afternoon and evening. Over 700 students at this school are working after school or on week-ends to earn extra money for school, dates, insurance, clothes, cars, or everyday living expenses. A very few are saving for their college education. These on the job experiences will give these students an advantage in looking for that full-time job after high school graduation. They will have the knowledge and EXPERIENCE necessary for future success. We are very proud of our working students!

A night of romance, dancing and fun characterized the 1986 Winter Formal "A Frosty Fantasy", sponsored by the WHS House of Lords. It was held at the Pacific Federal Plaza on December 6 and was truly a night to remember.

The excitement mounted as the time drew near to announce the King. Members of the Winter Court Dean Eddy, Jim Rubalcava, Aaron Broyles, Mitch Jones and Steve Hill, waited with anticipation until the the suspence was broken and Aaron Broyles was crowned King.

The Winter Formal was attended by many students dressed in beautiful gowns and tuxedos, and all agreed that everyone displayed exceptionally good manners and charm.

CABARET

5

The lights dim. The music starts. Another show is on the way.This year's Cabaret, ***In The City***, put on by the drama and music departments at WHS, occurred February 7 and 8 and was a resounding success. During two nights of sellout performances, the cast sang, danced, and acted on a grander scale than all the previous years of Cabaret.

The school's three choir units, the Lancer Choir, the Concert Choir, and the Choraleers sang and danced to tunes from the 40's, 50's, 60's, 70's and 80's, which ranged from easy jazz to hard rock. Behind every performance is a large group of non-performers without whose efforts and expertise the show could not go on. Choir Director Joe Kral and Drama Director Jan Osborne deserve recognition for organizing this year's quality production.

CROP & WORK EXP.

Coastline Reagional Occupational Program, otherwise known as CROP, provides on-the-job training programs to students. There are many courses that are offered in a variety of areas. Those that seem to interest most students are: animal grooming/ animal health care, retail sales, drafting, grocery checking, and auto mechanics. Of course, there are about 40 other classes to choose from. To enroll, a student must be at least 16 years old and eager to learn the skills taught.

CROP is an excellent way to learn basic skills necessary for a particular job and to prepare for the future.

CLASS OF 87

SENIOR CLASS

The class of 1987 spent another year vying for the Class of the Year award. It would be our fourth year of winning the competition! The hard-working senior officers and committee members also planned events to make the school year fun for everyone. Among these activities were the Senior Picnic, Luau, Breakfast, and Boat cruise as well as planning for Homecoming Week. This dedicated group spent many hours and weekends planning the Homecoming decorations for Buckingham Square. Other projects this year included the United Way Week, Child Abuse Week, lunch-time competitions, and designing the flag for the Class of '87. Good work Seniors!

JUNIORS

The Junior Class was extremely involved this year in all school activities. Mrs. Olga Tanner, Advisor, and the officers organized many fund-raising efforts as well as participating in service projects. Whether it was decorating Buckingham Square for Halloween, or participating in the United Way drive, the Junior Class showed that it is involved and enthusiastic about school.

OFFICERS- Row 1: Lori Yamato (Secretary), Mrs. Olga Tanner (Advisor), Jennifer Ronkes (Treasurer). Row 2: Judy Matsui (Commissioner), Stacie Speaker (President). Row 3: Antonette Ciccarelli (Vive-President).

JR. CLASS COUNCIL- Row 1: Joanne Sevilla, Melissa Henry, Christy Okuda, Jill Youngberg, Brandy Rocky, Renee Hershfield. Row 2: Lori Yamato, Judy Matsui, Jennifer Ronkes, Lisa Schwartz, Sandra Leal, Nariza Franco, Tamara Steele. Row 3: Mrs. Tanner, Antonette Ciccarelli, Krista Olivas, Pam Colangelo, Janet Alvarez, Stacie Speaker, Mike Hernandez.

SOPHOMORES

SOPHOMORE CLASS OFFICERS AND COMMITTEE

Although Homecoming week and the dance are the "big events' in the eyes of the Sophomore Class Officers and Committee, fund raisers keep them busy the rest of the school year. They help the community by raising money to combat child abuse and to donate to the United Way. They help themselves and the school with smaller services such as class competitions, working the sock hops, selling concessions, and conducting car washes. All money raised goes toward their Junior Prom, and event that is looked forward to by all.

FRESHMEN

Starting High School is always difficult for Freshmen. They must become acquainted with new friends, teachers, and administrators in addition to finding their way around a very large campus. This year's Freshman Class did an extremely good job in becoming familiar with WHS. They participated in class competitions, fund-raisers, pep-rallys, and many other school activities, showing that they are a force to be reckoned with during their next three years.

VARSITY

The 1986 Lion's Varsity Football Team had an exciting season. Beginning the year with a high national rating, the Lions competed against some great teams both in and out of the Sunset League, ending the season with 5 wins, 5 losses, and one tie. They rolled over Irvine, Foothill, Huntington Beach, Fountain Valley and Ocean View, showing an excellent combination of skill and strategy. The final game of the season, in C.I.F. play against Bishop Amat, resulted in a defeat that will fail to erase the memory of the teamwork, pride, and spirit of the mighty Lions.

SOPH. FOOTBALL

The Sophomore Football team had a successful season under the guidance and leadership of Erik Burkman and Kevin Kappen. The Lion Sophomores sported a strong passing game and a solid running attack with an aggresive offensive line that always managed to get the job done. The Lions played with pride and intensity by shutting down their opponents. The players and coaches of the 1986 Sophomore Football team deserve much credit for their season.

Row 1: Marty Seekried, Chris Trani, Tony DePalma, Randy Held, Casey Kinsey, Roby Doti, Joe Hernandez, David Harrison, John Butts, Marcy Mendiola, Depac Vij. Row 2: Kevin Rondev, Joe Snedeker, Mario Ducret, Joe Verde, Steve McCoy, Brian Nowlan, Daryl Steigel, Albert Togonon, Joey Isaac, Randy Nunes, Wayne Hickson, Rosario Vigorito. IN MEMORY OF

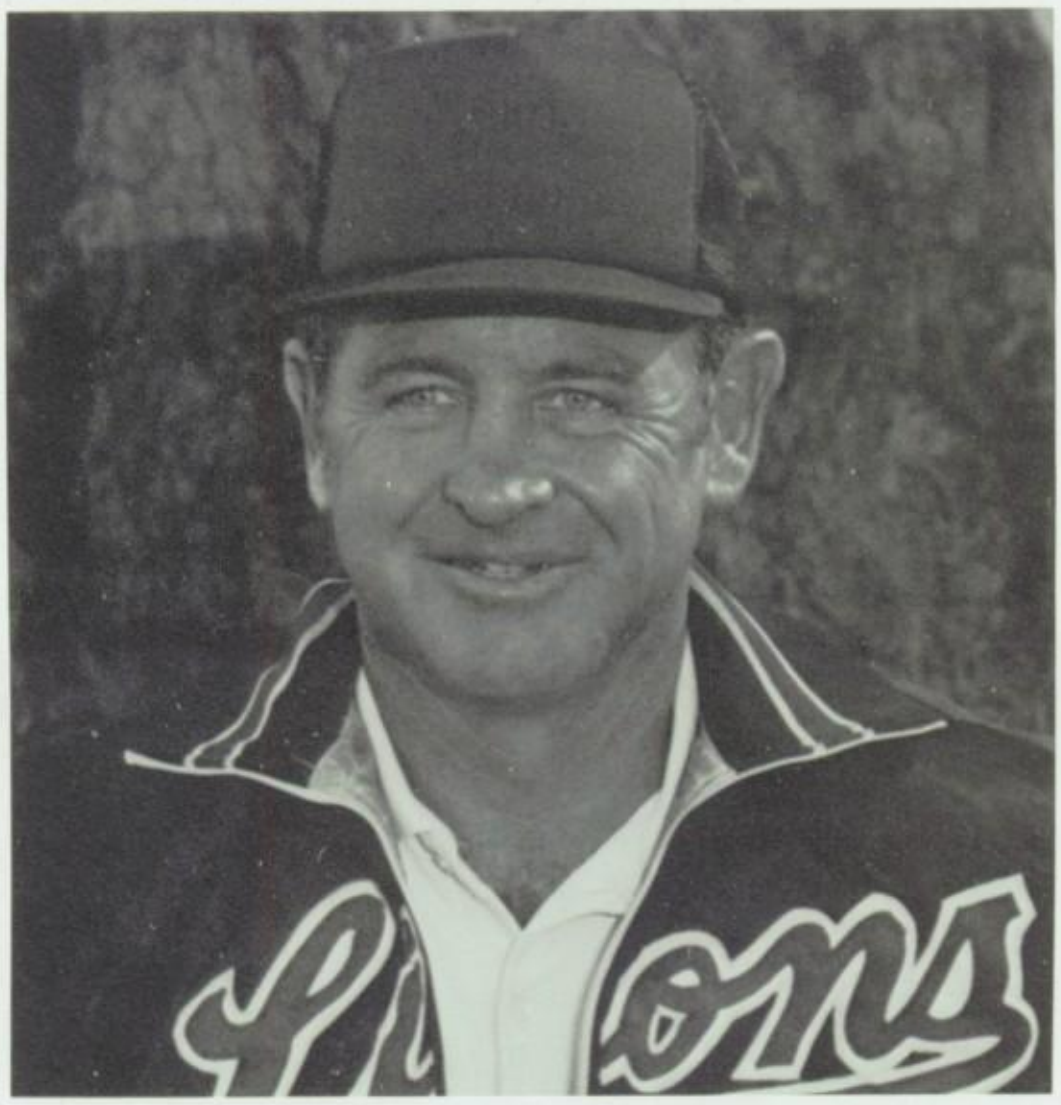
JIM O'HARA



During his many years at Westminster High School, Jim O'Hara developed the trust, respect and love of students and faculty alike. Whether on the football field or teaching his academic classes he was willing and eager to help students improve their minds, their skills, and their lives. He had a great love of football and served as co-coach of the varsity team. His interest in the boys on the team as students, as well as football players, showed that he believed in cultivating the whole. His premature death this year is a loss that will continue to be felt by everyone connected with Westminster High School, and his memory will serve to remind us all of what a dedicated teacher and coach he was.

VARSITY

This year's Varsity Volleyball team had an outstanding year. Before school started, the team traveled to San Bernardino to participate in the Desert Classic Tournament. There, the team took 2nd place in the consolation bracket, losing to a tough Graden Grove team.

Coached by John Burns, the team was led by senior setter and team captain, Devon Akita, who was named to the All Sunset League First Team and was then chosen MVP on that team. With the help of an all-league contender, Heidi Humphrey was on the receiving end to put the "kills" down. Senior setter Sherlyn Secrist also contributed with many fine saves. Many points were put on the board by Stacie Humphrey and Mary Ann Asis with their ace serves and kills. Mona Kort and Karen Lane worked the net to block serves and frustrate some of the best hitters in the league. Nikki Bladow and Kim Wolfe helped out on the defensive end by their back row performances.

All in all the girl's varsity volleyball team had a great season in a tough competitive league.

JUNIOR VARSITY

The Junior Varsity Volleyball team, coached by Debbie Solar, had an exciting and successful year. They worked hard in practice and developed the qualities that make a team. The team was small with only ten players, but players showed talent with serving and slamming. Although the girl's did not make C.I.F this year, they showed everyone that they have spirit and stamina.

CROSS

The 1986 Boys Cross Country team finished with a perfect record, outscoring every other team in the league by at least 5 points. Senior Dan Kash was beaten only 2 times while recording 5 first place finishes. Other standouts included Juniors Frank Akers, Ashur Youseffi, and Scott Herrick, as well as Sophomores Rob Mougin and Jason Bradley. With such a strong Freshman team, next year's squad should be even better. The girl's team had a successful year led by top runners, Michele Weaver and Michele Manlapeg. These girls deserve recognition for their dedication and hard work.

WATER POLO

VARSITY: The 1986 Varsity water polo team once again proved their dominance in the Sunset League. Finishing a close second behind Marina, they earned the right to compete in CIF play. The key players this year were the "Fearsome Foursome": Captain Kent Engdahl, Mitch Jones, Brian Pavloff, and Matt Cain, who scored a total of 18 goals. Goalie Craig Beckett had a total of 38 saves. Way to go Varsity!

JUNIOR VARSITY: This year's Junior Varsity water polo team hung on despite a record of 1-4. J/V was led by Junior Jeff Pierce, with 16 goals, Mike Sossaman, and goalie Eric Gattenby with a high of 55 saves. Despite a bad year, this is the varsity team of the future.

GIRL'S

The girl's tennis teams had a good season with many exciting matches played against strong opponents. The team-members practiced long hours to improve their footwork and timing, which resulted in many wins. Guided by Coaches Lee and Snowden, the girls experienced a great deal of improvement which will make those returning to the team next year a bigger threat than ever.

VARSITY & JV

This year's Varsity Wrestling team, with great effort and team spirit, became 1987 League Tournament Champs. It is obvious that Varsity Wrestling was determined to have a successful season. Hard work, lengthy practices, great coaches, and abundant enthusiasm all paid off. The effort shown by the Junior Varsity demonstrates that next year's Varsity team will also be a force to be reckoned with.

The Lionette Field Hockey team got off to a great start under the coaching of Carol Eseman. With the exception of four players, the whole team returned this year and was led by the Seniors: Cathy Chieco, Sharon Miribar, Danette Mason, Raychel Puebla, and Deanna Welch. The girls ended their season with the best record in several years. Next year's team has a lot to look forward to with leading scorer Shannon O'Rourke and talented defenders, Candy Whitmeyer and Jeanette Freeze returning for their final year.

GOLF

The WHS Golf team is one of the least visible but most enthusiastic on campus. Led by Coaches Hedges and Meyers, the team practices regularly at Meadowlark Golf Course, striving to perfect their driving, chipping and putting. Long hours of practice on cool spring afternoons pays off with increased competitiveness and skill. This year's Golf Team was one to be proud of.

The Lion's Varsity Basketball team did a great job throughout the season. If they lost a game, they would make it up and win the next one. Throughout the entire season the team exhibited determination and teamwork and proved that they had heart. The Lions were led by their five starters: Chris Chaisson, Chris Tower, Mark Austin, Steve Justin, and Marland Love. Coach Dick Katz has had another excellent season!

GIRL'S VARSITY

This year's Girl's Varsity Basketball team gave it their best shot. The season started off with the help of their new coach, Bob Pierce. With the team winning almost every pre-season game, it looked like a bright year for Varsity. Unfortunately, the league competition was tough, sometimes tougher than our "Lady Lions".

Devon Akita, Athlete of the Month, scored the most baskets of any WHS player. Close behind in number of scores were Shannon Bates and Julie Ann Johnston. Next year will definitely be a top year for the "Lady Lions" as four of the top players, Shannon Bates, Bobbie Paver, Janet Davis, and Julie Ann Johnston, will be returning.

BADMINTON

"Where's the birdie?", asks **Anh Thu**.

Interscholastic badminton bears little resemblance to the sport played in the backyard or at week-end gatherings. In High School, competitors must possess good hand-eye coordination, power, speed, and lots of stamina.

This year's team was made up of 33 players coached by Ms. Pitcher from the Physical Education department and Mr. Alan Phillips. Mr. Phillips is a former team-member from 1980 when badminton was first sanctioned as a coeducational sport in southern California.

This year's team had a successful season led by 15 returning players. Singles players returning included My Le, Anh Thu Duong, Hai Duong, Phong Huynh, Khoang Nguyen, Cathy Brannon, Hang Nguyen and Tony Primmer. Returning doubles players were Jodeen Atwell, Brian Berglund, Pinky Frias, Trang Nguyen, Nguyet Tran, Thong Tran, and Christina Valencia.

Prospects look very promising for next season, since there are only five graduating Seniors this year.

SURF TEAM

The ancient sport of surfing requires skill, timing, and stamina. Surf conditions along the southern California coast range from sloppy 1 foot wavelets to monstrous 18 foot bone-crushers.

This year's surf team, led by captain Glen Southworth and coached for the second year by Robert Saxton, proved they have what it takes to challenge any surf condition or competitor. Members of the team took a number of 1st, 2nd, and 3rd's in competition this year showing that what is basically an individual's sport can also exhibit teamwork.

SWIMMING

The Lion's swim teams took off with a splash this year thanks to returning veteran swimmers. Leading the boy's team were Matt Cain, Kent Engdahl, Scott Engdahl, Mitch Jones, and John Uyehara. Teresa Bresnahan, Frances Croxen, Lisa Hatfield, and Heidi Rytting led the girl's teams.

The teams were confronted with a tough season, but the hard-working and dedicated team members more than proved their ability to compete, and in meet after meet, their long hours of practice before and after school, paid off.

One swimmer deserving special recognition is Lisa Hadfield, who was chosen to go to Boca Raton Florida last March to compete in the Senior Nationals. This was quite an accomplishment!

DIVING

It's Not your average sport! Diving takes not only hours and hours of practice to fine-tune moves so fine and delicate they cannot be seen themselves, but also lots of skill and determination. Even though diving seldom gets the recognition of other sports, team-members perform, strive and achieve excellence on a par with any other sport. This year's diving team has demonstrated this commitment and has made WHS proud.

GIRL'S TRACK

This year's Boy's and Girl's Track Teams had a rewarding season. For the boys, the return of league champions Mike Austin in the hurdles and seniors Dan Kash and Corey Dickson made this year's varsity a strong contender. Other outstanding athletes that rounded out the squad included juniors Brian O'Hara, Doug Fitzpatrick, Mike Engen, Marlin Love, and Frank Akers. The return of sophomore sensation James Li added depth to the varsity squad.

Leading the defending Sunset League Champion Junior Varsity squad were standouts Ramil Hook, Tim Zamora, Kes Jusionus, Marcus Avritt, Jerry Gillespie, Darin Delzeith, Dennis Espino, John Butts, Larry Tran, Peter Nguyen and Joe Snedeker.

Coach McAllister and assistants Stan Clark, Jack Bowman, Steve Osborn, Tim Boyd, Clark Cox, and Frank Arguello, are pleased not only with the large turnout of over 90 boys, but with the enthusiasm generated for the 1987 season.

The girl's team, under the leadership of Keith Mayeshiro, showed lots of heart and worked hard to improve their skills. Among the standouts was returning runner Michele Malapeg who participated in a number of events including the mile relay.

These fine teams show why WHS has a long history of success in the exciting events that make up track and field.

VOLLEYBALL

With a new-found enthusiasm brought about by first year coach Debbie Soler, the Lion's Varsity Volleyball team finally earned some respect from it's Sunset League opponents.

With strong middle blocking by 3rd year varsity starter Matt Jones and 1st year varsity member Troy Rossean, in addition to a tough defense and the setting of co-captain John McCormack to outside hitter Todd Bischof, the team demonstrated their skill and tenacity in game after game.

The Junior Varsity and Frosh/Soph teams also worked hard and demonstrated increasing determination and dedication throughout a successful season.

SOFTBALL

This year the girl's Varsity Softball team got off to a great start. Returning to the team were seniors Heather Illsley, Candy Roman, and Sherlyn Secrist. The team relied on the pitching of junior Bobbi Dutcher and rookie Stephanie Viola. Playing the infield were Shannon O'Rourke, Nikki Bladow, Candy Roman, Heather Illsley, and Kim Wolf. The outfield was skillfully covered by Mindy Granzella, Sherlyn Secrist, and Sandy Robinson. Utility player Joleen Roman added strength along with the others towards an awesome winning season.

VARSITY BASEBALL

The 1987 Lion's Varsity Baseball season was filled with excitement and hope. Led by Seniors Albert Rodriguez, Dan Villegas, Dean Eddy, Corey Woinarowicz, and Scott Turner, the Lions captured a championship in the El Segundo tournament and finished pre-season with a perfect 6-0. With strong pitching by John Gonzales, Ryan Klesko, Brian Stubbs, and relievers Matt Paegel and John Betz, in addition to the skills of Ben Mendoza, the Lions built up a full head of steam en route to their ultimate goal of Sunset League champs. Coaches Ken Ostrowski, Chris Sorce, and Bill Souza held the team together and helped motivate them toward their ultimate goal.

This season was one filled with fun and excitement and served to strengthen the belief that the Lions are among the best teams in the Sunset League.

BASEBALL

The Junior Varsity and Frosh/Soph Baseball Teams turned in a workman-like performance during a tough season. Guided by coaches Mike Dawe, Steve Gulley, and Lou Randall, the boys put in day after day of practice in an all-out effort to perfect their batting, pitching and fielding skills. Their effort paid off with a season all could be proud of and many are already looking forward to the 1988 season.

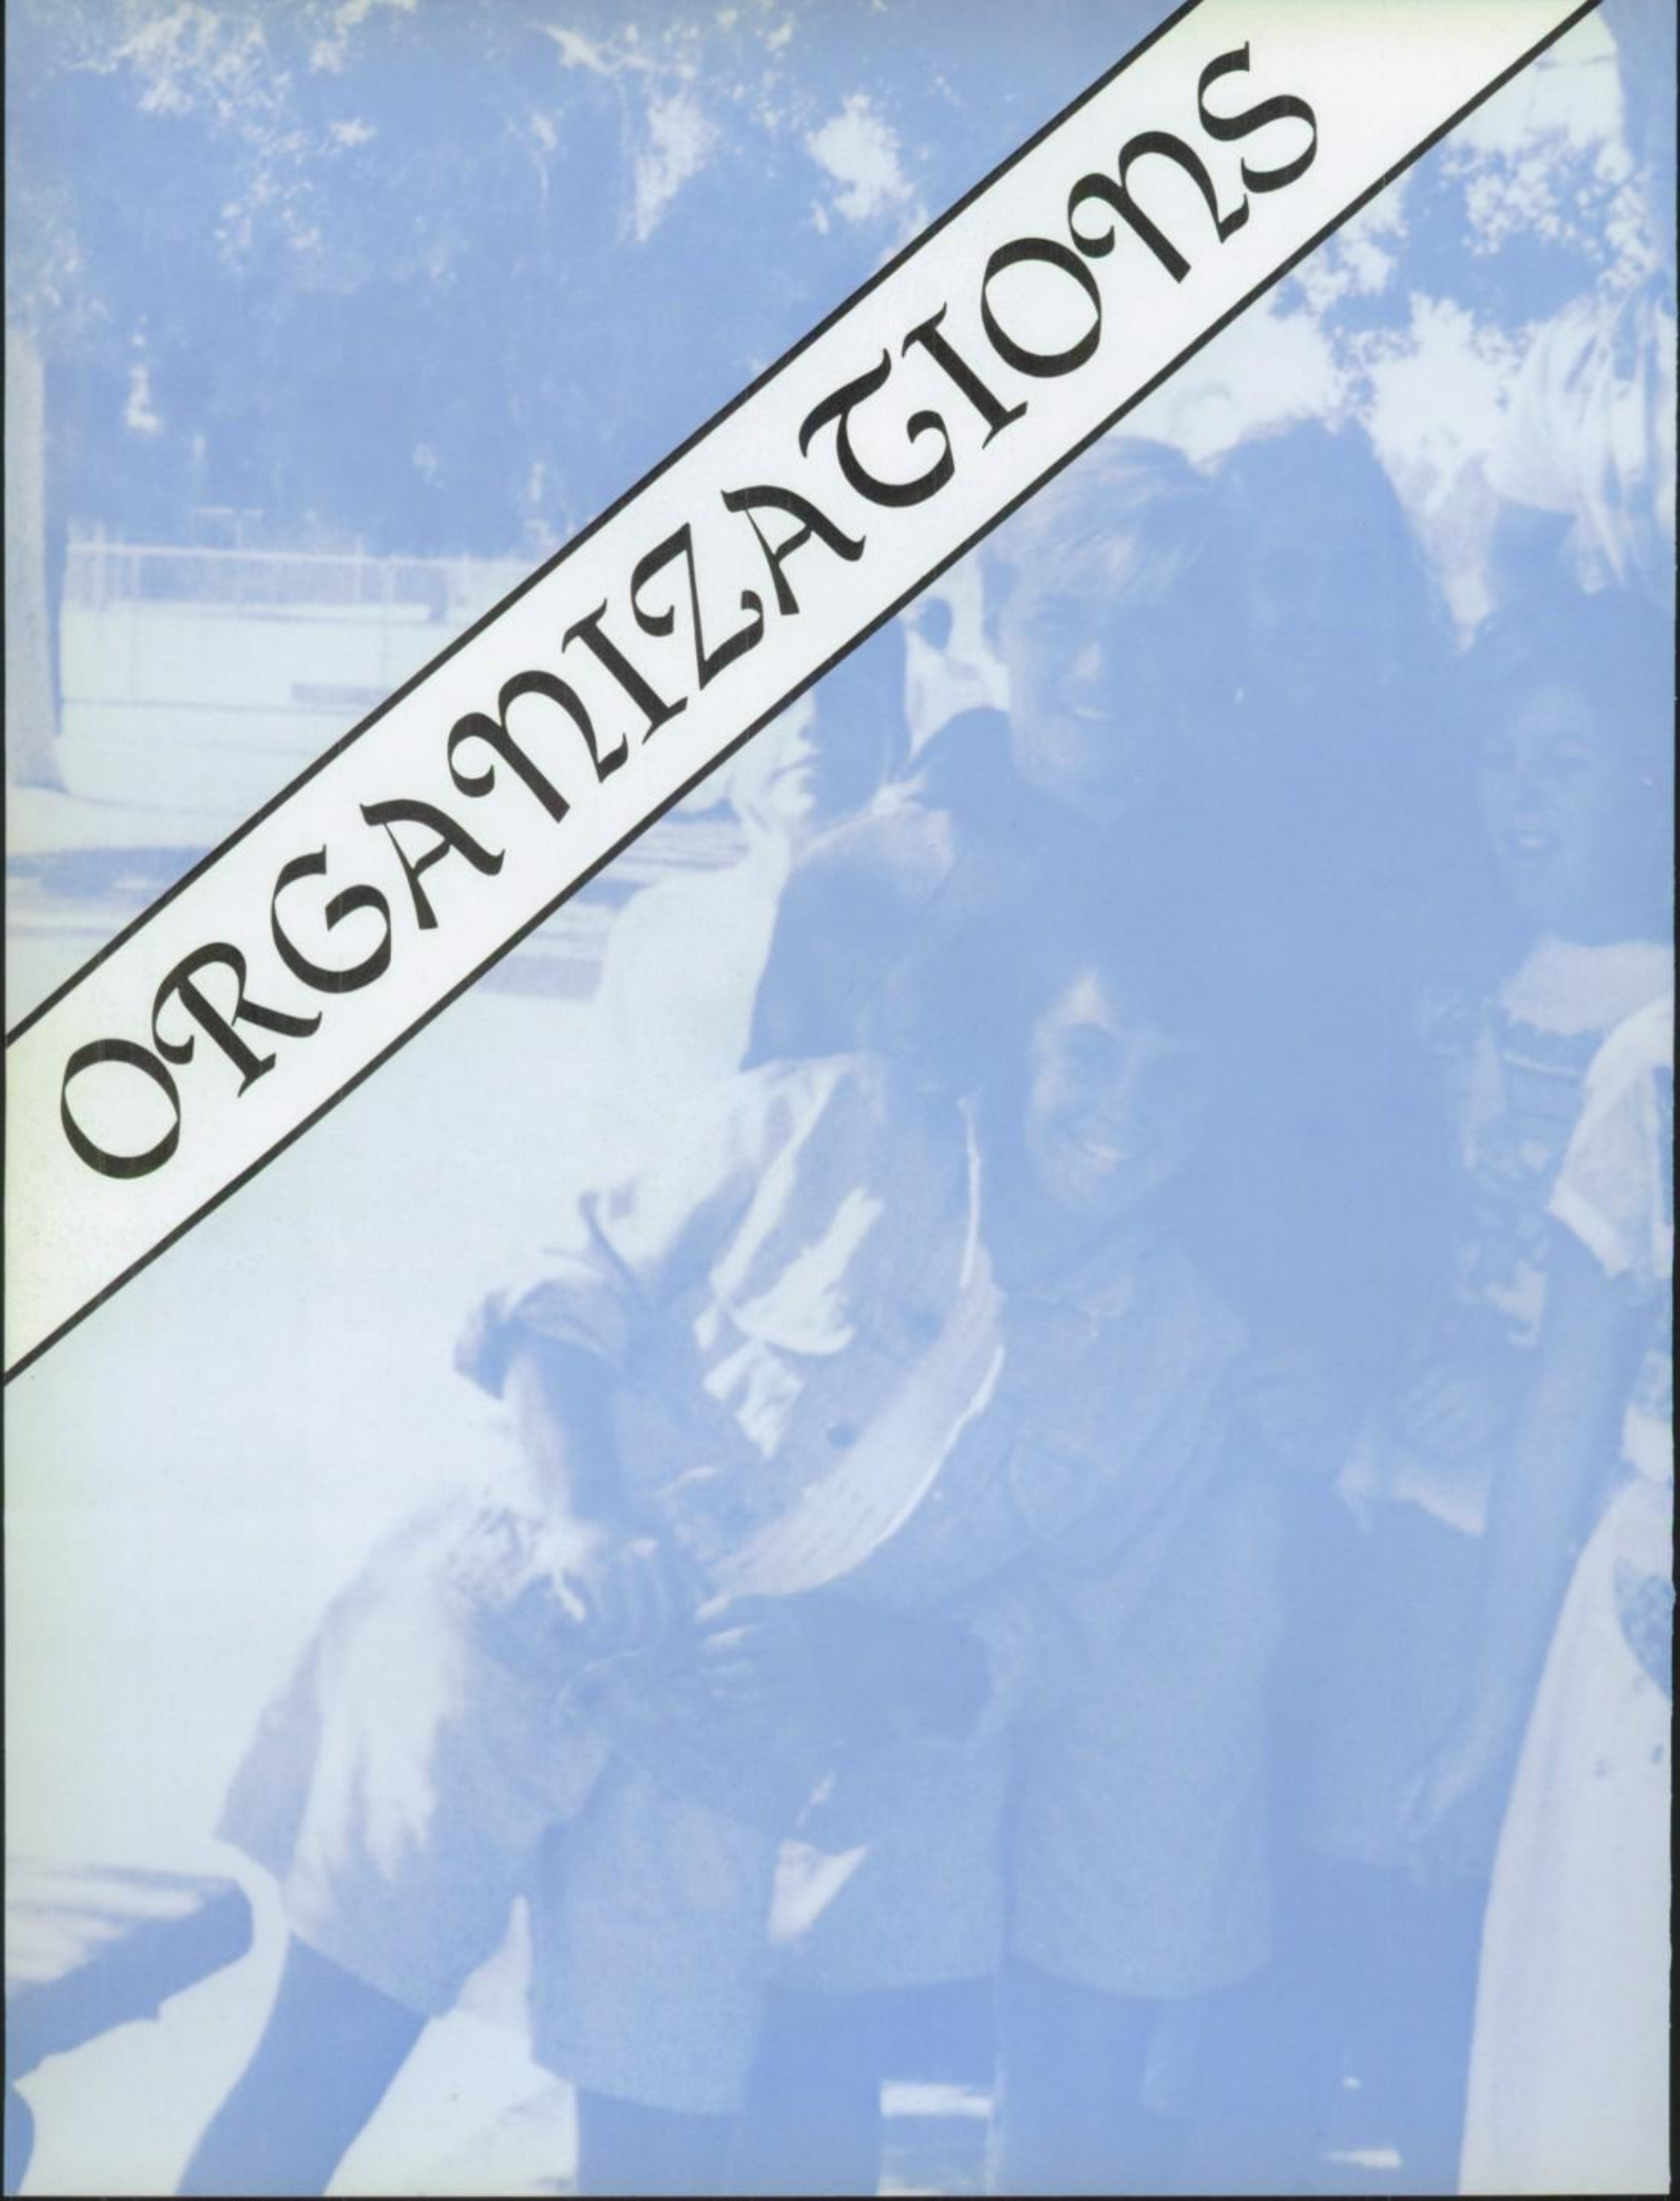
ORGANIZATIONS



HOUSE

Officers Show Their Pride

Presenting the 1986-87 House of Lords. This year the ministers have been trying to get as many members of the students as possible involved in school activities. They have led the students in a strong activities program beginning with sock hops during football season and continuing through the ever-popular Junior-Senior Prom at the Anaheim Marriott Hotel. Many successful rallies, fundraisers, and motvational assemblies were also held this year as well as several charity drives in which several thousand dollars were collected and donated. From the very beginning this organization shone as the most talented among the leadership groups represented at camp. As a result, it has been a very special year for student government at Westminster.

YEARBOOK

WORKING ON THE MEMORIES

This year's Yearbook Staff was composed of hardworking students and a very hardworking advisor. They did their best to put together the best possible yearbook yet. They spent many late nights working on layouts and pictures to meet the various deadlines throughout the year.

Though there were many stressful nights and a lot of major problems, the staff managed to survive and conquer the immense piles of paperwork involved. Many thanks go to our daring advisor, **Mr. Shepard,** and to our fearless editors, **Gary Randall** and **Kathy Hufstetler.**

DRILL TEAM

Lionettes Perform to Perfection

The Lionette Drill Team had another very successful year—capturing top awards in field and spring competitions. Led By Captains **Kim Bohman, Deanne Fountain**, and **Heidi Norton**, the Lionettes demonstrated talent and excitement in every performance. The hours of practice paid off, as the Lionettes brought many crowds to their feet.

In August the team attended a summer training clinic at UCSBwhere they captured every award given—Superior Home Routine, Superior Team Trophy, Unity & Spirit Award, 2nd and 3rd place Drill Down Medallions, and over 200 individual ribbons. At the officer's camp **Heidi Norton** and **Deanne Fountain** were named, for the second year in a row, to the Miss Western States Open Drill Team Pageant court!

In July of 1986, 8 Lionettes travelled to New York and were a part of the Statue of Liberty Drill Team which performed in the closing ceremonies of the Miss Liberty celebration. **Bonnie Blakesley, Kim Bohman, Terri Dames, Stacy Farrell, Deanne Fountain, Sheryl Kaufman, Heidi Norton,** and **Paulette Stegemann** spent 11 days practicing, up to 15 hours daily, for the awesome performance at the Meadowlands.

The Lionette Drill Team is one of the most recognized and respected teams in California. Their reputation is high and is valued by many. This hard-working group is the pride of WHS!

DRILL TEAM

DRILL TEAM IN JAPAN

In July the Lionette Drill Team & Lion Tall Flags traveled to Tokyo, Japan, to compete in the Miss Drill Team International pageant. The event was held in the Olympic Venue, an impressive sight.

The trip was a success—the teams captured the title "International Champions-1986" in 3 divisions.

The city of Westminster recognized the drill team and tall flag unit as "official ambassadors" on the trip to Tokyo. Upon arrival back in the U.S., the Mayor and City Council presented a resolution of commendation to the teams on their success.

This was a once-in-a-lifetime experience and WHS can be proud to know we have "International Champions" in its populations.

CHEERLEADERS

Pepsters Encourage Spirit

Our 1986 pepsters have made Westminster High School very proud.

While attending camp in July, they won the "Award of Excellence" which is a great honor given to only 300 squads in the nation. They also received two spirit sticks and three superior ribbons. At camp our own Kandy Van Dyke was named "All American Cheerleader" which is a great honor.

The Sophomores received a spirit stick at camp and three superior ribbons which made us very proud.

The Freshmen won a Regional Competition on Nov. 1, 1986 which entitled them to go to Orlando, Florida in December and compete nationally. We are proud of you all. Dianne Charron - Advisor

Showtime for the Flaggers

The Westminster Tall Flags showed that they again can have a great year. The snappy routines and visual effects earned them a Second Place Trophy in the Miss Drill Team International held in Tokyo, Japan in June of '86. They competed against several flag teams from Europe and the United States. Great job girls.

Captain **Kim Fortune** led the team to a very sucessful season, bringing home several awards in both field tournaments and spring competitions. At last summer's camp, the team won the Superior Team Trophy, a Second Place Trophy, and over fifty ribbons.

BAND

The Beat Continues

The Westminster High School Band and Drum line perform at many field tournaments and half-time shows throughout the football season. This year the Band competed against some of the best bands in Southern California at the La Habra, Orange, Norwalk, and Riverside College Field Tournaments, as well as hosting their own annual competition.

Performing a field show takes a lot of concentration, patience, talent, and most of all, intensity. This year's dedicated band members deserve to be applauded for making this a successful entertainment season.

"Stars of the Future"

With the new sponsorship of **Jan Osborn-Nall**, drama teacher, the Globe West Players are as alive as ever with new productions in progress.

As well as a spring play, the Players performed "A Night of One Acts." This show consisted of "Dark Pony," "The Sandbox," and "Savage Love," all of which are absurdist theatre.

CHORALEERS

Talent in the Making

The Choraleers are Westminster High School's elite vocal jazz group. Every semester 12 to 20 of the school's best vocalists are selected to be part of this group. The director of Choraleers is **Joe Kral**, "an all around fun type o' guy."

The Choraleers sing at a large variety of civic and social functions. Also, they and the choir do three major shows during the year, one per season. At the end of the year, they compete at several jazz festivals against other schools from across the state.

Putting on shows and going to festivals takes an incredible amount of planning, practice, and execution. Members of the Choraleers learn some stagecraft, the fine points of singing and performing, and the ways of dealing with the school bureaucracy.

A.P. CLUB

Achieving Success

By sponsoring various fundraisers throughout the year, Advanced Placement provides financial aid to students for A.P. tests. The amount of financial aid given to each member depends upon club participation and actual need. Membership is offered to any student enrolled in two Honors classes or one A.P. class. Besides doing fundraisers, the club also funds a field trip to a nearby college campus. Since passing the A.P. tests gives the student college credit, Advanced Placement Club provides an invaluable service to the scholars and champions of WHS.

C.S.F.

In Pursuit of Excellence

The California Scholarship Federation is an active honor society dedicated to raising money for scholarships. Throughout the year, members participate in various fund-raising activities. They sell candy, work concessions, and have car-washes. C.S.F. is not all work, though. Members get to enjoy club-sponsored activities and field trips, which include C.S.F. Disneyland Night and the traditional trip to U.C.L.A. At the end of the year, scholarships are awarded to graduating seniors.

MECHA

Members Discover Their Heritage

The "Movimiento Estudiantil Chicano de Atzlan" Club, a.k.a. Mecha, was a club for the involved and active Chicanos of Westminister High. This group is dedicated to supplying better futures for its members. The organization also brings its traditional culture into the school to promote pride of heritage in the members. This year they celebrated Cinco de Mayo with dancing, music, and fundraisers.

LATIN CLUB

E Pluribus

Unum

The members of Latin Club are always busy . . . either selling posters and candy or collecting money for scholarships and fesitivities. The club holds an annual Christmas Party, Roman Banquet, and Farewell Party. Also, the members are treated to field trips such as the J. Paul Getty Museum in Malibu. Latin Club welcomes all students to join in the fun-filled activities, while also making new friends. Each year, members learn about the beauty of Latin and achieve their own potential.

FRENCH CLUB

Enriching Our Culture

French Club played an active role around campus. Its main purpose was to provide a social outlet for those united in the common interest of French culture through its language. The club was involved in various activities. They sold candy, held a pizza party, and sold delicious French pastries and other French food. This has indeed been an exciting year for the French Club.

FFA

Farmers of the Future

Our purpose is to teach leadership and responsibility through animal projects. We do many services including our Building Our American Community (BOAC) project. We have many get-togethers throughout the year that include both the agriculture students and their parents. Even though the FFA is an intra-curricular club, we also involve our friends and other Future Farmers of America chapters.

NEWSPAPER

Future Journalists

This year's Journalism Class was one of the roughest and most chaotic on campus. However, it was productive. The WHS Scroll was issued at least once a month and was put together by a handful of students and the newspaper advisor, **Mrs. Friedrich**.

During the first week of organizing the paper, the class was primarily a social one. But during the deadline week, it was anything but calm. The tension ran high as Advisor and staff struggled to put the paper "to bed" before the deadline. Once the paper was finished and distributed throughout the school, there was a great sigh of relief from the staff. Unfortunately, this sigh could not last long because there was always another paper to issue.

KEY CLUB

Serving the Community

Key Club is a social/service club whose members participate in activities that benefit the school and the community. The club spends many hours serving others by visiting convalescent homes, cleaning up grafitti, donating money to needy organizations, participating in walk-a-thons, and sponsoring a Halloween booth at the Westminster Mall. Key Club is a unique experience for its members, as it combines helpful services with exciting socials.

VIETNAMESE

Probing Their Culture

The Vietnamese Club is a rapidly growing club at Westminster. The members promote social, cultural, recreational, and academinc activities. The club takes pride in helping Vietnamese students strengthen relationships with students of other ethnic backgrounds. Ethnic values were not the only affairs this group showed concern for. They also held social functions for the members to get together and just have a good time.

CYCLE CLUB

Racing to Win

Whether your interest is a short ride to the beach or a tour across the United States, a sprint to beat the stop light or that last push to win the race, the Westminster Bicycle Club makes it possible to meet with other students who share your goals. The purpose of the Cycle Club is to promote interest in all aspects of bicycle touring and racing. At a lunch meeting, you might view a slide show of a 4,000 mile summer ride through Europe, watch a tape of the Tour de France, or see a film on bicycle helmets and bicycle safety. Racers might listen to discussions on selecting a racing bike, riding time trial, or effective training techniques. If your interest is cycling, then we're the club for you!

SPANISH

Se Habla Espanol

The 1986-87 Spanish Club was the best ever. Led by the seniors **Todd Bischof** (president), **Corey Woinarowicz** (vice president), **Thomas Ford** (treasurer), **Michelle Spray** (secretary), **Mark Padilla** (fundraiser), **Adam Capoluto, Darren Lorenger**, and **John McCormick** (sergeants at arms). This year the Spanish Club exploded with nearly 200 members. They enjoyed the many fun fundraisers, exciting community services, and many interesting cultural experiences. This year the club visited UCLA's Museum of the Dead and many other places which brought them closer to the Spanish culture. The highlight of the year, as it is every year, was the Christmas Party at **Mrs. Swenson's** home.

INTERACT

Dedicated to Working

Interact is an international social-service club affiliated with Rotary International. The club performs services for the school, community and other nations. One of the most popular services is the annual blood drive, which takes place on campus. All money donated to various causes is earned through candy sales and car washes. Any student may join this great club, as long as they have a 2.0 GPA and are willing to work hard and have fun.

CHESS CLUB

The Chess Club was revived in the 1986-1987 school year by the efforts of several interested students. Even though school tournaments were held each month, members traveled to professional contests as well. With Mrs. Rosemary Stevens as advisor, the members practiced their skills during lunch and after class.

CLOSE-UP

A Closer Look at D.C.

Close-Up is an organization formed to send high school students to Washington D.C. in order to get a closer look at how our national government is run. This year, six Westminster students, Kent Engdahl, Joanne Seeling, Elizabeth Nghiem, Jill Youngberg, David Salvin, and Henrik Larsen, participated in this program. They attended many seminars, during the week, on current events and were given the opportunity to meet their Senators and Representatives. This year, as a change in the program, the students spent a day and a half in the colonial town of Williamsburg, Virginia.

MOCK TRIAL

This year's Mock Trial team, under the direction of Sam Stovall, did a fine job trying a case involving a shooting over a gold claim dispute. The team had to face the case both as defense and prosecution, making the task doubly difficult. Kent Engdahl, David Salvin, Sherri Decker, and Anh Tran prepared to be the prosecuting attorneys, while Dan Slone, Richard Martinez, and Chris Kim served as defense lawyers. The case was tried three times in front of real judges at the Santa Ana Superior Court, with WHS posing as defense one time and then prosecution the next. The team won two out of three trials, taking fifteenth place in Orange County. Next year's team should do even better inasmuch as there will be many returning members.

ACADEMIC DECATHLON

The Academic Decathlon Team stratifies its members into three levels—the Honors, the Scholastic, and the Varsity. The student's unweighted GPA determines his/her level. Each team has approximately two months to prepare for the competition which is held on a nearby campus.

Every member of the OCAD team competes in ten categories: literature, science, social science, mathematics, essay, economics (or health), speech (prepared and impromptu), interview, art and super quiz. This year's super quiz topic emphasized the Constitution, its ratification and implementation as well as the biographies and careers of several Supreme Court Justices and numerous, important court cases.

The team met with one coach per subject area, usually at lunch or after school, and upon occasion, before school. As preparation for the speech and interview, the team enrolled in the Toastmaster's student curriculum.

This year's team placed very well in the competitions and represented WHS with pride. The team thanks all of their coaches for their dedication and practice. A special thanks goes to head coach Miss Carol Sebastian, whom the entire team wishes a fantastic retirement.

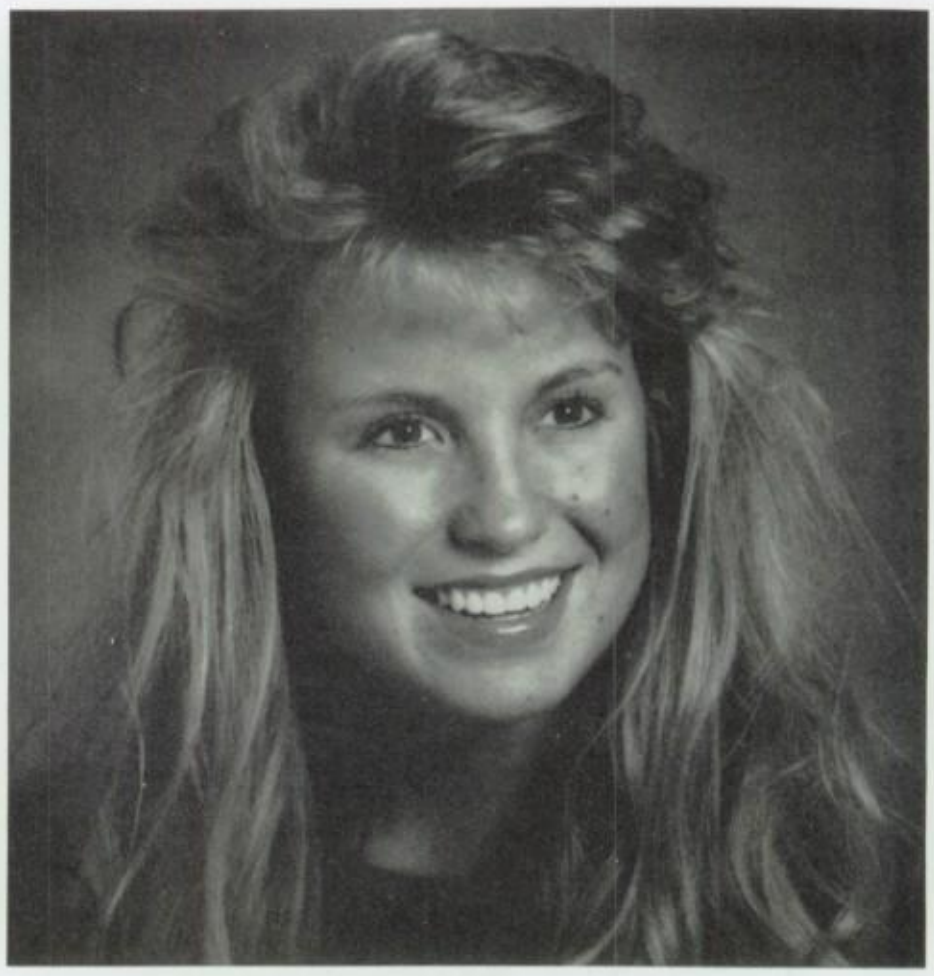
MATSUURA STUDENTS OF THE YEAR RAGOS

Juli Matsuura has always been active in and out of school. Her community service included the U.C.I. Student Advisory Committee and employment at the District Office. In School, Julie held the office of Senior Class Secretary in which she contributed to the Senior Luau, United Way Week, Homecoming, the Senior Picnic, and Prevention of Child Abuse Week. Julie has also been active in clubs on campus. She was CSF President and Interact Vice-President. This year, Julie maintained her #1 class ranking by taking four A.P. classes and one honors class and achieving a G.P.A. of 4.68. Julie Matsuura hopes to continue her education at U.C.L.A.



Chrissy Ragos, our second Students of the Year, has been very involved with student government this year. During the first semester she served as House of Lords Chancellor and then took charge as Prime Minister during the second semester. In addition to these positions, Chrissy was active in the planning of school dances and most of the theme weeks throughout the school year, in addition to being helpful in the Student Store. She was instrumental in making the class of 1987 the Class of the Year. She participated in all the class fund-raisers, competitions, and bulletin board designing, as well as helping in the creation of the Class Flag. She was an active member of CSF and the Spanish Club, as well as being an officer in the Key Club. Chrissy has been in the Honors Program and has maintained an overall GPA of 3.98. Chrissy was also crowned Homecoming Queen of 1986-1987.

ADMINISTRATION

KEEPING THINGS RUNNING

The administration team of Westminster High School worked hard this school year to achieve and maintain a standard of organizational excellence in the school. Led by our Principal, Mr. Robert Boehme, the administration made the 1986-1987 school year one to remember!

PREPARING FOR SUCCESS

The English Department is the largest on campus, and ranges from A.P. English to Fundamentals. Westminster High's English teachers take pride in their work and are inspired to motivate teachers to success. The coordinator of the English Department, Carol Kasser, has successfully led this dedicated team of teachers and has shown that English is a vital part of our everyday life.

1. **Mrs. Kasser** discusses with her students, the purpose of reading this particular novel.
2. **Mrs. McCalester** takes time out to help one of her students.

SCIENCE

EXPLORING NEW DIMENSIONS

Ranging from Life Science to A.P. Biology, WHS's Science Department offers a great variety of science to explore. The science teachers are willing and able to interact with students and make their classes fun and challenging. Being Department Coordinator has been challenging to Bob DeWenter, but he has succeeded in leading what is certainly one of the most actively-involved departments on campus.

1. "Hey Dude, you'd look this way too if you taught Yearbook between science classes."
2. Mrs. Baker—a teacher who makes class fun.

SOCIAL STUDIES

1

DIGGING UP THE PAST

This year's Social Studies Department was headed by Evelyn Meacham and for one semester by the departing Sam Stovall. Ranging from history to geography and from economics to government, the Social Studies Department offers a wide range of classes. Advanced Placement is taken for college credit with honors and college following. WHS is proud to have patient teachers recount history with our students.

1. "Now come on, **Amber**. You know I can't pass you unless you do all your homework.
2. Mrs. Meacham in the middle of one of her many lectures.

2

MATHEMATICS

WORKING WITH FIGURES

WHS's Math Department has always been a tough department to teach in. From Consumer Math to Calculus, the work gradually becomes harder. But the dedicated teachers in the Math Department have accepted the challenge and shown that they have the talent to overcome any problem.

1. "His highest test score is 47% and he wants to know if he's passing. Right!"
2. "Not to mention any names, but two of you got the exact same grade."
3. Mr. Sherrer takes his teaching very seriously.

ARTS, BUSINESS

1

LEARNING TO CREATE

The Arts, whether Fine or Industrial, help cultivate talent and develop creativity. At WHS we have many fine courses which allow students to express themselves through photography, wood, ceramics, music, and song. Skills learned in such classes often open new vistas for students and allow them to find enrichment the rest of their lives. WHS is lucky indeed to have creative teachers who care about kids.

SPECIAL ED, ESL, READING

MOTIVATED TO TEACH

Special people need special attention. This year's Special Education Department offered a number of alternative classes, some regular and some special. The coordinator of this department was Judith Crews. Pam Wilson-Willmore was this year's Reading Department head. She, along with the rest of the department, dedicated themselves to helping students improve their reading and understanding. WHS is proud to have dedicated teachers help others.

FOREIGN LANGUAGE, P.E.

1

SPEAKING ANOTHER TONGUE

The Foreign Language Department was headed this year by Barbara Dorman. She presided over a group of teachers specializing in Spanish, French, German, and Latin. These teachers recognize the importance of studying a foreign language both as an aid in understanding English and as a step toward becoming a well-rounded citizen of the world. The Physical Education Department has always been an integral part of Westminster High, and the faculty who teach P.E. realize the important of a healthy mind in a healthy body.

2. **Mrs. Dorman** corrects some Latin grammar.

CLASSIFIED

HELPING THROUGHOUT THE YEAR

The WHS classified employees, which include guidence technicians, librarians, cafeteria workers, secretaries, maintainance workers and others, are some of the hardest-working people on campus. They provide vital and efficient support for the Administration and Faculty, and it should be obvious that the school system could not function without them.

Debbie,
I'm really glad we became friends this year. Besides Tall Flag practice we have to do something over the summer something exciting, something thrilling, something bizzare ;/k we can do something normal. I hope you enjoyed the lollipop I bought you. Mrs Friedrich's class woes fun except for the fact that Mrs. Friedrich was there. I enjoyed getting out of class and walking around campuss. I guess you get to see a lot of me this summer because of Tall Flag practice and camp. Tall Flags will be really fun exspecially picking on you ;/k.

Dear Joanne
To a super daughter who is so loving and caring and never gives me a dull moment. I wish you the best in everything you do. Take the time to smell the roses, watch the sunrises, and seek out the beauty that each day has to offer. May all your dreams come true. Love Mom.
Watch out world, here comes Joanne. Love Bob.
Congratulations on your excellence. Love Grandpa & Grandma. Mouffle - Jenny

In these last four years, I've learned a great deal. I've learned how to learn. I've learned how to dream and how to change my world so my dreams become reality. I've learned how to compromise and defeat Xenon, while not really compromising. I've learned how to grow. I've learned how to feel. And I've learned how to love, thanks Shelley, Fiona, Megan, and especially Lynn. I've grown from a child to a man. I've learned to fly. I thank only God for my gifts. I wish us all the best. Peace. To our Little Baby Girl (Rachel)
You have now passed through some of the most rewarding years of your life. There's so much that we want to say to you that we don't know where to begin. You know that your father and I have always wanted the best for you and we wish you well in the future. Have a great time in Mazatlan. Oh by the way don't give Morris any Tequilla. You know what will happen (streaker) Love Mom & Dad.

Little Puebla. My little baby sister we just wanted to wish you the best in life and what and whatever plans you have set for yourself in the future. I know sometimes we disagree on things but it seems to make our love grow stronger for each other. You will always be #2 in our life of course chacha is #1 (our Pit Bull) by the way have a great time in Mexico you have worked very hard for it. Have a drink for us. Love Bets & Anna.

Rachel. You finally made it to 12th grade and even graduating. Now for the big time. College and working full-time. P.S. we really wish you the best in life. Love Gina & Tommy.

Debbie,

Well another year has gone by and we managed to stay friends. You are a real sweetie. I will never 4-get the memories we had in Jr. High. (the baby showers). You have to admit, I was a good sport about it all! Well since you are rushing me, I can't think strait. Be safe this Summer and K.I.T. since we live so close.

Love in Christ,

GOOD-BYE WHS

Looking back at the past four years of exams, sports, dances, and friends, it seems like we started school just yesterday. We've worked hard these last 12 years, looking forward to graduation. All our friends will now go their separate ways, but memories will remain in this book and in our hearts.

Debi
you are a one
of a kind person.
I'm so glad I met you
your a really fine and dandy
girl. I hope you don't get a F in
Mrs Sabastians class aren't you glad we
will never have to see her beautiful face
again?! Have a super cool summer

Love your friend Jim

Debi,
hey you Flag woman,
this years finally over,
its about time huh. We
had fun at the tidepools
with all the "squirters".
Good Luck in Flags next
year, Don't practice too
hard. Love & friends,
Jennifer Cucci
I Love Kyle?

Debbie
hope you have
a super cool yr.
year. Have a great
summer. I'm glad
I got to know you. Not very
well but well enough
to know your sweet
Love
Debi

Debi,
Its been fun having you in
my class. I'm glad we met this year.
Keep up the good work in flags. I'll
see ya in the summer. Hope to
have you in a class next year.
Take it easy.
Your friend

P.S. No more Sebastian or Friedrich

Hi Deb!

I'm glad that we became friends this year. You'll a real sweetie. Ms. Sebastian's class was just a ball. I bet we'll never be able to forget that. She was such a lovely lady. Can't wait for D.T. to start. Now we'll be able to see you, because now we may practice together. Plus, we'll have camp. Yeah!

Smile!
